

**Student Commitment (Grades 7-12 only)**  
**2024-25 School Year**

I have read the OCS Handbook, understand it, and will abide by it. I understand that there is particular concern about the following:

- Willingness to respect and honor teachers, the principal, and pastors in all circumstances (whether or not you agree with them)
- Refraining from grumbling, backbiting, anger, pouting and discontent
- Agreement to abide by the principles of behavior listed in the Student Handbook
- Promise to come directly to the teachers and pastors (not other students, etc.) when you have disagreements or questions.

**Student Vehicles:**

Students driving to and from school assume an extra responsibility for the safety of other students and for maintaining the respect of others. Be extremely careful when entering and exiting the parking lot. To encourage this safety and respect, our student drivers must follow these regulations:

1. All student drivers must register their vehicle with the school office each year.
2. Do not exceed 5 mph in the parking lot.
3. Park only in designated areas.
4. Follow the traffic flow; do not “drive around” in the parking lot. If possible, do not back up.
5. Do not allow other students to drive your vehicle.
6. No horseplay or reckless driving at any time will be permitted on campus or adjacent roadways.
7. Permission from the office must be obtained to go to your vehicle during the school day.
